Biography Report Steps

1. **Choose your famous person** - Pick a person that led a very interesting life. You will be studying this person a lot and have to write about them so it is worth your time to pick someone interesting.

2. **Think about that person** - write down questions you have about them. What did they do? Why are they famous? How have they made an impact on our world today? In what ways can a young person be like them?

3. **Gather Information** - find as many books, magazines, encyclopedias and internet sites about that person as you can.

4. **Read, read, read!** - You need to know about the person if you're going to tell other people about them, so read up!

5. **Take Notes!** - Write down facts as you find them. You can write these on index cards or in a special notebook with all of your research.

6. **Check your questions** - Have you answered them in your research? Do you need to research further? Is the question important?
